

CAPPA Members:

Your Professional Association needs you! There are many [Volunteer Opportunities](#) at CAPPA as well as [Subject Matter Expert \(SME\)](#) roles. Today we are highlighting the tremendous opportunity to serve on the [CAPPA Board of Directors](#).

The [Benefits of Volunteering](#) are many, and the ability to serve as a Director of your Association is a wonderful professional responsibility as well as an opportunity to give back to your colleagues and industry.

As a CAPPA Board of Director you are in a position to:

- Participate in fulfilling the Association's [Mission](#);
- Take an active role in advancing our [Profession](#);
- Be up to date on issues and matters affecting the current and future role of Production Accountants;
- Have the chance to exchange ideas and perspectives with other Association Leaders;
- Gain experience working on a Governance Board.

While all CAPPA members will be considered, the ideal candidate is:

- CAPPA [Member](#) in good standing;
- Current or recent 5 years' experience or more in a Production Accounting role;
- Demonstrated Leadership commitment;
- Expertise in one or more areas of organizational management such as Finance, Budget, Policy Development, Advocacy, Relationship Management, Fundraising, Not-for-profit Management;
- Able to commit to attending all quarterly Board Meetings plus the Annual General Meeting (ad hoc board or sub-committee meetings as needed);
- Excellent Communication and Inter-personal skills including the ability to work collaboratively and engage in appropriate debate and discussion;
- Have an established industry network;
- Be visionary and a strategic thinker;
- Not someone who wishes to be involved at an operational or day to day detail level.

This is not a call for nominations. This is a call for expressions of interest.

If you would like to consider, and be considered, to serve on the CAPPA Board of Directors, please email a) an email outlining your interest and background and b) your resume to CAPPA's Past Chair: Gavin Schafer at Gavin.Schafer@crewenergy.com
