

# JOINT CAPPA/PASC/PJVA SEMINAR

Date:April 19, 2016Location: U of C Downtown Campus<br/> $906 - 8^{th}$  Avenue SW, Computer Lab DTC 140Time:Registration:<br/>Seminar:7:30 am<br/>8:00 am - 4:00 pm (please anticipate a work through lunch)Fee:CAPPA/PASC/PJVA members:<br/>Non-members:\$500.00 + \$25.00 (GST) = \$525.00<br/>\$575.00 + \$28.75 (GST) = \$603.75

Includes course material, continental breakfast, & lunch.

### Instructor: DARREN REEVES

## Topic: 13<sup>th</sup> MONTH ADJUSTMENTS

The objective of this course is to provide a step by step method in performing 13<sup>th</sup> month adjustments. It also provides an excellent refresher for intermediate and senior individuals who are looking to refresh their skills. The morning will be dealing in general concepts, facility agreements, definitions and going over sample problems. The remainder of the course will have participants completing increasingly complex examples in a computer lab setting where you will be building your own Equalization model.

#### Suggested attendees:

The course is intended for individuals who have a few years of Oil and Gas experience and are looking to increase their knowledge in doing 13<sup>th</sup> month adjustments.

Please <u>register online here by April 18, 2016 to reserve your spot</u>. Although first come, first serve; there are only 25 spots available in this format.

#### Registration is first paid, first served so the event may fill before the deadline date.
