

Hello CAPPA members,

The CAPPA board would like to share some exciting news and updates with the association;

The CAPPA board would like to officially announce that Bruce Maurer will be stepping in as our Interim Executive Director. Bruce brings a diverse knowledge of the petroleum sector experiences to CAPPA. In his 37 years working in the oil and gas sector, he has gained knowledge in various areas of the petroleum industry, mainly field operations, operational and production accounting, software design, development and implementation.

He has held senior management positions with various Canadian private and public companies in various roles (President/Managing Partner/COO). He has owned, operated and eventually sold his own consulting services companies and has built relationships with clients all over North America and Europe.

Bruce has been an active member of CAPPA since 1994 and has held various CAPPA Board of Director positions (2006 – 2017). While a member of the Board of Directors, Bruce volunteered and participated on various CAPPA and Industry committees. This included management of education curriculum design and instruction delivery, as well as, working with various educational institutions in the management of the CAPPA Education Programs.

Bruce has been an instructor of CAPPA Education Programs at SAIT Polytechnic and Mount Royal University since 2006.

CAPPA is moving in a new, exciting direction and we are looking for support from our members. You have recently received your membership renewal email. Be sure to renew to receive the advantages from your professional association including member rates for your continuing education, luncheons, seminars and conference. If you didn't receive your renewal email or know of someone who want to join, please contact Judy Ly at the CAPPA office at 403-265-1533.

Thank you to our members for making last year's conference such a big success! From feedback we received from that conference, the Board has decided to change the timing for the next conference. It will be in May 2020! We are looking forward to seeing everyone back for what will be another great gathering of our fantastic profession!
