

## SAIT CAPP A Practicum Students Available for Internship

Students working towards their CAPP A certification in SAIT's Accounting Oil & Gas Production program are now in search of 12-week production/revenue accounting roles. This practical experience allows them to bridge their applied in-class learning to the working world.

Students will be available to start their practicum terms as early as May 1<sup>st</sup>.

If you are interested in working with a SAIT CAPP A student, please email [joey.post@sait.ca](mailto:joey.post@sait.ca).
